

“READY FOR SCHOOL BACKPACK PROGRAM”

Children just like these need your help to be prepared for school....

The “Ready for School Backpack Program” is here to keep a smile on kids’ faces as they enter school for the upcoming year. In partnership the YMCA Cape Cod and Community Action Committee of Cape Cod & Islands’ Child Care Network are working to provide low to moderate-income families who need help in supplying their Kindergarten through Junior High School aged children with a backpack filled with school supplies for the 2009-2010 school year.

*Your donation of \$20 will provide one backpack filled with school supplies for one child.
Please consider a donation of \$100 to provide backpacks for five children.

*To donate supplies please visit our websites for a complete list of needs
