

VISA CHECKCARD AGREEMENT TERMS AND CONDITIONS

Important Information About Procedures for Opening a New Account. To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account.

What this means for you: When you open an account, we will ask for your name, address, date of birth (for individuals), and other information that will allow us to identify you. We may also ask to see your driver's license (for individuals) or other identifying documents.

Introduction. This Visa CheckCard Agreement ("Agreement") contains contract terms and other important information relating to your Visa CheckCard ("Card"). These terms govern the operation of this account unless varied or supplemented in writing. This Agreement also incorporates any other terms and conditions provided separately with your account agreement as well as the terms of any disclosures you may have received. You should read this Agreement carefully and keep a copy for your records.

Applicable Law. This Agreement will be governed by the laws of the state in which your account is located as well as federal laws and regulations. Normal banking customs and practices also apply.

Definitions. Unless inconsistent, words and phrases used in this document shall be construed so that the singular includes the plural and the plural includes the singular. The words "we," "our," and "us" refer to the financial institution which issues the Card. The words "you" and "your" refer to the owner of the specific account for which Card transactions are permitted. The word "Cardholder" refers to any person authorized by you to use the Card.

Business Card Purpose. You and any Cardholder agree that this Card is for use by business owners and employees. The Card can be used for business purpose point-of-sale and Automated Teller Machine (ATM) transactions only. The Card may not be used for personal purposes. You acknowledge and understand that the Card shall not be treated as a consumer card under the provisions of state and federal law. You agree to provide written instructions to all Cardholders that the Card shall not be used for consumer purposes. We assume all transactions are for business purposes. We do not monitor transactions to determine their purpose.

Account Requirement, Payment Responsibility, Transferability, Enforceability. The services described in this Agreement will be available to you only as long as you maintain a business checking or savings account with us. You are liable for the payment of Card transactions authorized by you or your agent or any Cardholder or their agent. This account may not be transferred or assigned without our written consent.

If any terms of this Agreement cannot be legally enforced, it will be considered changed to the extent necessary to comply with applicable laws. If any part of this Agreement becomes unenforceable, it will not make any other part unenforceable.

How to Use the Business Card, Security Procedures. The Card allows Cardholders to directly access the business checking or savings account specified in your Card Application. We will issue Cards and codes to you at your request. Each Card will identify your business as well as the Cardholder. Your savings account must be linked to your checking account that is tied to the Visa CheckCard.

You agree to the following security procedures. Each Cardholder must sign their Card before it may be used. You agree to require both a Card and a code to be used together to obtain cash at designated ATMs. However, you may use your Card to purchase goods or pay for services without a code. Once a Card has been issued it cannot be transferred to another person. You agree to immediately notify us when you terminate a Cardholder's rights and to promptly return the Card to us. You agree to provide written instructions to all Cardholders about the importance of protecting the Card and code. You agree to examine your receipts and periodic statements in a timely manner. You agree that the dollar/frequency limits assigned to each Cardholder will also act as a security procedure.

Termination and Amendments.

- ◆ We may terminate this Agreement by written or verbal notice to you.
- ◆ You may terminate this Agreement by written or verbal notice to us.

We may make amendments to this Agreement in the same method as provided in the terms and conditions provided in your account agreement. Use of your Card after receipt of notice of an amendment constitutes your acceptance of the change.

Notices. Any notices mailed to you under this Agreement will be mailed to the address we have for you in our records. You will keep us notified of your current mailing address.

Discretionary Overdraft Payments. At our discretion, we may make a payment or honor a withdrawal from your account that exceeds the amount of funds available in your account. However, the fact that we may honor withdrawal requests that overdraw the account balance does not obligate us to do so later. So, you can NOT rely on us to pay overdrafts on your account regardless of how frequently or under what circumstances we have paid overdrafts on your account in the past. We can change our practice of paying overdrafts on your account without notice to you. This section does not apply to an overdraft protection plan you may establish with us, such as an overdraft line of credit or linked savings account.

You agree that we may charge fees for overdrafts caused by ATM and Debit Card transactions if you have opted-in to this service.

The following fees and limitations apply to discretionary overdraft payments:

- ◆ We charge a fee of \$35.00 per overdraft item.
- ◆ The maximum number of overdraft fees we assess is limited to six per day.
- ◆ The maximum number of uncollected fees that we assess is limited to six per day.

Overdraft Protection Plan. If your account has an overdraft protection plan, Card transactions that would otherwise overdraw your account will be covered by the overdraft protection plan. Your overdraft protection plan will be documented on a separate agreement. You should become familiar with that document as some of the terms, such as your liability for unauthorized transfers initiated with your Card, may vary from the terms of this Agreement.

Stop Payment. Only stop-payment requests from you or the Cardholder who authorized the transaction will be honored. However, because Card transactions are often processed immediately, stopping or amending payment is difficult and we cannot ensure that any request you make will be effective. In order to be effective, we must receive your request in time to give us a reasonable opportunity to act. Only you may release a stop-payment request.

TYPES OF TRANSACTIONS

Below are the types of transactions your Card will accommodate.

ATM Transfers. You may access your account by ATM using your Card and code to:

- ◆ make deposits to your checking account.
- ◆ make deposits to your savings account.
- ◆ get cash withdrawals from your checking account.
 - you may withdraw no more than \$500.00 per day in combination with savings withdrawals (if linked).
- ◆ get cash withdrawals from your savings account.
 - you may withdraw no more than \$500.00 per day in combination with checking withdrawals (if linked).
- ◆ transfer funds from your checking account to your savings account.
- ◆ transfer funds from your savings account to your checking account.
- ◆ get information about:
 - the account balance of your checking account.
 - ◆ see separate fee schedule for charges at non-proprietary ATMs.
 - the account balance of your savings account.
 - ◆ see separate fee schedule for charges at non-proprietary ATMs.

Some of these services may not be available at all terminals.

Please also see **Limitations on frequency of transfers** section regarding limitations that apply to ATM transfers.

Point-of-Sale Transactions. You may access your checking account with your Card to purchase goods (in person, online or by phone), pay for services (in person, online or by phone), get cash from a merchant, or from a participating financial institution, or do anything that a participating merchant will accept.

Using your Card and/or code:

- ◆ you may not exceed \$2,500.00 in transactions per day.

Please also see **Limitations on frequency of transfers** section regarding limitations that apply to debit card transactions.

Currency Conversion and International Transactions.

(a) For point-of-sale (merchant) transactions and ATM transactions using Visa network. When you use your Card for this type of transaction and it settles in a currency other than US Dollars, the charge will be converted into the US Dollar amount. The currency conversion rate used to determine the transaction amount in US Dollars is either a rate selected by Visa from the range of rates available in wholesale currency markets for the applicable central processing date, which rate may vary from the rate Visa itself receives, or the government-mandated rate in effect for the applicable central processing date. The conversion rate in effect on the processing date may differ from the rate in effect on the transaction date or posting date.

Visa USA charges us a .8% International Service Assessment on all international transactions if there is no currency conversion. If there is a currency conversion, the International Service Assessment is 1% of the transaction. As a result, we will charge you a .8% international transaction fee on all international transactions if there is no currency conversion. If there is a currency conversion, we will charge you an international transaction fee of 1% of the transaction. An international transaction is a transaction where the country of the merchant is outside the USA.

(b) For ATM transactions using Cirrus network. When you use your Card for this type of transaction and it settles in a currency other than US Dollars, MasterCard/Cirrus will convert the charge into a US Dollar amount. The MasterCard/Cirrus currency conversion procedure includes use of either a government-mandated exchange rate, or a wholesale exchange rate selected by MasterCard/Cirrus. The exchange rate MasterCard/Cirrus uses will be a rate in effect on the day the transaction is processed. This rate may differ from the rate in effect on the date of purchase or the date the transaction was posted to your account.

MasterCard/Cirrus charges us a Currency Conversion Assessment of 20 basis points (.2% of the transaction) for performing the currency conversion. In addition, MasterCard/Cirrus charges us an Issuer Cross-Border Assessment of

90 basis points (.9% of the transaction) on all cross-border transactions regardless of whether there is a currency conversion. As a result, we will charge you a currency conversion fee of .2% of the transaction if there is a currency conversion and a cross-border transaction fee of .9% of the transaction. The cross-border transaction fee is charged on all cross-border transactions regardless of whether there is a currency conversion. A cross-border transaction is a transaction processed through the Global Clearing Management System or the MasterCard Debit Switch in which the country of the merchant is different than the country of the cardholder.

Advisory Against Illegal Use. You agree not to use your Card for illegal gambling or other illegal purpose. Display of a payment card logo by, for example, an online merchant does not necessarily mean that transactions are lawful in all jurisdictions in which the Cardholder may be located.

Non-Visa Debit Transaction Processing. We have enabled non-Visa debit transaction processing. This means you may use your Visa CheckCard on a PIN-Debit Network* (a non-Visa network) without using a PIN. The non-Visa debit network(s) for which such transactions are enabled are: NYCE Network.

Examples of the types of actions that you may be required to make to initiate a Visa transaction on your Visa CheckCard include signing a receipt, providing a card number over the phone or via the Internet, or swiping the card through a point-of-sale terminal.

Examples of the types of actions you may be required to make to initiate a transaction on a PIN-Debit Network include initiating a payment directly with the biller (possibly via telephone, Internet, or kiosk locations), responding to a logo displayed at a payment site and choosing to direct payment through that network, and having your identity verified using known information derived from an existing relationship with you instead of through use of a PIN.

The provisions of your agreement with us relating only to Visa transactions are not applicable to non-Visa transactions. For example, the additional limits on liability (sometimes referred to as Visa's zero-liability program) and the streamlined error resolution procedures offered on Visa debit card transactions are not applicable to transactions processed on a PIN-Debit Network.

*Visa Rules generally define **PIN-Debit Network** as a non-Visa debit network that typically authenticates transactions by use of a personal identification number (PIN) but that is not generally known for having a card program.

Please see the separate cardholder agreement for additional information relating to the use of your Card.

Limitations on frequency of transfers. In addition to those limitations on transfers elsewhere described, if any, the following limitations apply:

During any monthly statement cycle, you may not make more than six withdrawals or transfers from a savings account to another credit union account of yours or to a third party by means of a preauthorized or automatic, telephone, or computer transfers, or by debit card, or similar order to a third party. If you exceed the transfer limitations set forth above, your account will be subject to closure by the credit union.

FEES

- ◆ Please refer to the separate fee schedule for additional information on fees.

DOCUMENTATION

Terminal Transfers. You can get a receipt at the time you make a transfer to or from your account using an automated teller machine or point-of-sale terminal. However, you may not get a receipt if the amount of the transfer is \$15 or less.

Retain Copies for Your Records. You should retain copies of all records including receipts, credit slips (for returned merchandise), and cancellation numbers (for cancelled reservations). You should also mark each transaction in your account record (but not while at a terminal). You should review your periodic statement for accuracy and compare your account record against your periodic statement to reconcile balances.

Periodic Statements. You will get a monthly account statement from us for your checking account that will also include a record of transactions made using your Card.

Periodic Statements. You will get a monthly account statement from us for your savings account that will also include a record of transactions made using your Card, unless there are no transfers in a particular month. In any case, you will get a statement at least quarterly.

LIMITATIONS ON OUR LIABILITY

We will not be liable if:

- ◆ you do not have enough money in your account to make the transfer.
- ◆ you have an overdraft line and the transfer would cause you to exceed your credit limit.
- ◆ an ATM does not have sufficient cash.
- ◆ a terminal or system is not working properly.
- ◆ circumstances beyond our control (such as fire or flood) prevent the transfer.
- ◆ a merchant refuses to accept your Card.
- ◆ an ATM rejects your Card.

There may be other limitations on our liability.

UNAUTHORIZED TRANSFERS

Additional Risk Associated with Use of Business Purpose Cards. You will not have the benefit of any consumer law limiting liability with respect to the unauthorized use of your Card. This means your liability for the unauthorized

use of your Card could be greater than the liability in a consumer debit card transaction. You accept and agree to undertake the additional risk and greater measure of liability associated with the use of business purpose cards as described in this Agreement.

Your Liability for Unauthorized Transfers. You are liable for Card transactions you do not authorize if we can prove that we processed the transaction in good faith and in compliance with a commercially reasonable security procedure to which we both agreed, unless otherwise required by law.

Tell us AT ONCE if you believe your Card and/or code has been lost or stolen. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line of credit). If your Card and/or code is lost, stolen, or used without your permission, you agree to notify us immediately and to promptly confirm such notice in writing. Your liability for transactions with your Card and/or code will continue until 2 business days after the day we receive such written notice. If you do not notify us within one year from when the periodic statement containing an unauthorized transaction was first mailed or made available to you, we will be entitled to treat the information in the periodic statement as correct, and you will be precluded from asserting otherwise.

Additional Limit on Liability. Unless you have been grossly negligent or have engaged in fraud, you will not be liable for any transactions using your lost or stolen Card if you report the unauthorized transfer within 60 days of the mailing date of the first statement showing the unauthorized transfer. Unauthorized transfers do not include: 1) any transaction by a business co-owner, a cardholder or person authorized by a cardholder, or other person with an interest in or authority to transact business on the account; or 2) any transaction by a cardholder that exceeds the authority given by the Visa Business check card account owner. This additional limit on liability does not apply to ATM transactions outside of the U.S., to ATM transactions not sent over Visa or Plus networks, or to transactions using your Personal Identification Number which are not processed by Visa®. Visa is a registered trademark of Visa International Service Association.

Contact in Event of Unauthorized Transfer. If you believe your Card and/or code has been lost or stolen or that someone has transferred or may transfer money from your account without your permission, call or write us at the telephone number or address listed in this brochure.

Consequential Damages. We will not be liable for any consequential or incidental damages resulting from the unauthorized use of your Card.

ERROR RESOLUTION

You agree to examine your receipts and periodic statements using ordinary care and to report any errors or problems to us within a reasonable time. You agree that the time to examine your statement and report to us will depend on the circumstances, but will not, in any circumstance, exceed a total of one year from when the statement containing the error or problem was first mailed or made available to you. If you do not report within one year, we will be entitled to treat such information as correct and you will be precluded from asserting otherwise. You further agree that if you fail to report to us within 14 days from when the statement was first mailed or made available to you that we will not be required to pay dividends or interest on any refund to which you may be entitled. We will only recredit your account for errors or problems as required by law.

Call or write us immediately with errors or questions about your electronic transfers at the telephone number or address listed in this brochure. If you tell us orally, we may require your complaint or question in writing within 14 business days.

For transactions processed by Visa, we will determine whether an error occurred within 5 business days after we hear from you and will correct any error promptly. If we need more time, however, we will credit your account within 5 business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. We will tell you the results within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. For transactions not processed by Visa, we will investigate the matter and notify you of the results within a reasonable amount of time. The exact time will depend on the specific circumstances of the error or problem.

You may ask for copies of the documents that we used in our investigation.

NOTICE OF ATM/NIGHT DEPOSIT FACILITY USER PRECAUTIONS

As with all financial transactions, please exercise discretion when using an automated teller machine (ATM) or night deposit facility. For your own safety, be careful. The following suggestions may be helpful.

1. Prepare for your transactions in advance (for instance, by filling out a deposit slip) to minimize your time at the ATM or night deposit facility.
2. Mark each transaction in your account record, but not while at the ATM or night deposit facility. Always save your ATM receipts. Don't leave them at the ATM or night deposit facility because they may contain important account information.

3. Compare your records with the account statements you receive.
4. Don't lend your ATM Card to anyone.
5. Remember, do not leave your Card at the ATM. Do not leave any documents at a night deposit facility.
6. Protect the secrecy of your Personal Identification Number (PIN). Protect your ATM Card as though it were cash. Don't tell anyone your PIN. Don't give anyone information regarding your ATM Card or PIN over the telephone. Never enter your PIN in any ATM that does not look genuine, has been modified, has a suspicious device attached, or is operating in a suspicious manner. Don't write your PIN where it can be discovered. For example, don't keep a note of your PIN in your wallet or purse.
7. Prevent others from seeing you enter your PIN by using your body to shield their view.
8. If you lose your ATM Card or if it is stolen, promptly notify us. You should consult the other disclosures you have received about electronic fund transfers for additional information about what to do if your Card is lost or stolen.
9. When you make a transaction, be aware of your surroundings. Look out for suspicious activity near the ATM or night deposit facility, particularly if it is after sunset. At night, be sure that the facility (including the parking area and walkways) is well lighted. Consider having someone accompany you when you use the facility, especially after sunset. If you observe any problem, go to another ATM or night deposit facility.
10. Don't accept assistance from anyone you don't know when using an ATM or night deposit facility.
11. If you notice anything suspicious or if any other problem arises after you have begun an ATM transaction, you may want to cancel the transaction, pocket your Card and leave. You might consider using another ATM or coming back later.
12. Don't display your cash; pocket it as soon as the ATM transaction is completed and count the cash later when you are in the safety of your own car, home or other secure surrounding.
13. At a drive-up facility, make sure all the car doors are locked and all of the windows are rolled up, except the driver's window. Keep the engine running and remain alert to your surroundings.
14. We want the ATM and night deposit facility to be safe and convenient for you. Therefore, please tell us if you know of any problem with a facility. For instance, let us know if a light is not working or there is any damage to a facility. Please report any suspicious activity or crimes to both the operator of the facility and the local law enforcement officials immediately.
