**First Citizens' Federal Credit Union Announces its plans to remodel
their Raynham, MA based branch.**

FAIRHAVEN, MA – May, 2016 – First Citizens' announced their plans to begin remodeling the 629 South Street West location, just off of Rt 44, W Raynham.

The new design will have an open concept to promote more communication between members and staff. One of the main features of the remodel is the transition over to teller “pods” versus teller lines. This will create a more personable experience for the member with less waiting in line and more privacy. A new member area will feature large screen TVs and a coffee station as well.

The new branch will continue to offer a complete range of financial services including deposit services, real estate, consumer, auto and small business loans. During the remodel, the Raynham branch will continue to operate as normal, management just asks its members to please excuse the appearance during this time.
